## Collins Scores Knockout in Second

Young Rodman Takes the Count - Pirates Whitewash Boston-Rain Blocks Many Games-Bowling Record Broken-Other Sports.

Westerly, May 27.—After two rounds of fast, clever boxing, Bill Collins of Central Village, the well known wrestler, knocked out Young Rodman of Cambridge Thursday evening. The match took place in the Pawcatuck armory before an enthusiastic crowd of 250 spectators. The people were looking for a ten round go, as scheduled, and it surprised them when, just as the bout was well started, Collins laid out his adversary with a body blow and a left hook to the jaw, it was a good match, however, and the crowd was satisfied.

The board was read to round the crowd was satisfied.

A fast six round draw between Kid Goucher of Putnam and Tourtellotte of New London was a good preliminary.

### BOWLERS BROKE RECORDS FOR FIVE MEN TEAMS.

Total of 2898 With the Big Pins-Five Better Than Previous Mark.

New York, May 27.—The National Bowling association record for five men teams was broken at the Madison Square Garden tournsment tonight by a team from the Corinthian Bowling club of this city, which rolled a total of 2898, an average of 193.2 a game. The previous association record was 2893, made in Rochester last year by the Brunswicks of New York.

In a special individual match this evening Charles W. Gilbert of Cleveland defeated Lee Johns of Newark, N. J., in ten games, 1952 to 1928.

It was announced today that a match game has been arranged between a picked five men Cleveland team and Thompson's Colts of Chicago, to be rolled early next week. Square Garden tournament tonight by

Ravenell Will Meet Bowery Kid.

That challenge from McGarry, the Bowery Kid, to Jerry Ravenell for a meeting on the met stirred up the front jawed barber like a small boy monkeying with a hornets' nest. "It's a bluft," said Jerry, "but McGarry can't make any such bluff with me and get away with it. I'll meet him on the mat and beat him to a finish for the gate receipts. I had this fellow all in the time we met before, and I'll get him this time sure. It'il be no fifteen minute bout, and when I get through with the Kid he'll want to go back to the Bowery and stay there."

With both prinsipals willing, friends of the two wrestlers are at work to settle on a date for their meeting. Revenell Will Meet Bowery Kid.

Gelt Led All the Way.

Belmont Park, May 27,—The rainy weather kept the attendance down to 1,500 persons at Belmont park today. The feature of the card was the appearance of Celt in the Jockey Club stakes. He had practically no rivalry in the race and was held at one to thirty. He took the lead at the start and was eased up by ten lengths. The amateur cup went to Moorieh King, while Pretty Michael won the Meadowbrook Hunters' Steeplechase. wbrook Hunters' Steeplechase.

Navy's Brace Gives Supporters Hope. Anapolis, May 27.—In a fast game of baseball Carlisle was defeated 1 to 0 by the midshipmen this afternoon, closing the local season with a brace that gives the navy's supporters strong hopes of drubbing the army on Saturday. At 9 o'clock tonight the navy squad was escorted to the train by the whole brigade of midshipment and embarked for West Point, where the inter-service game will be played this year.

Chess Experts Draw Again. New York, May 27.—After 24 moves another draw resulted in today's game between J. R. Capablanca, the Cuban chees champion, and F. J. Marshall of New York. The standing is as follows: Capablanca 7. Marshall 1, drawn 10. The next game will be played tomorrow.

SOME RECOVERY.

Dealings, Which Were Not Insignificant, Entirely in Traders' Hands.

New York, May 27.—The stock market today was relieved from speculative liquidation in Reading, which proved the depressing factor yesterday. This opened the way to some recovery. The dealings were almost entirely in the hands of traders, and were not significant. The Gould group of railroad properties were conspicuously strong. The advance was attributed to steps in the working out of the financial plan known to be maturing for several months. Confidence in this was indirectly affected by the announcement of the sale of Eric collateral notes, which will obviate the necessity of resorting to the bond issue for which authority was obtained, with difficulty, from the New York public service commission. The Eric securities were all benefited by this announcement. The feeling regarding the

nouncement. The feeling regarding the grain crop position was distinctly im-proved. The better reports concerning

proved. The better reports concerning the crops made operators long of stocks less disinclined to hold them over the approaching three-day holiday. The passing of the holiday interval will bring the financial world to the June first money settlements. Call loans tomorrow will carry over the following Tuesday, the first of the month. It was reckoned that some effect might be produced on the money market by this combination of factors. No such effect was discernible today. Chicago is reported to be lending money in New York and the rate for time loans over the year end has failen to 3 1-2 per cent. under this influence. Bonds were firm. Total sales, par value, \$4.502,000. United States bonds were unchanged on call.

### INTERCOLLEGIATE ATHLETICS Nearly 1,000 Entries-Contest Will Be Between Yale, Harvard and Cornell.

In the history of intercollegiate sport has there been so much doubt regard-ing the outcome of the track and field ing the outcome of the track and field championships, familiarly known as the Mott Haven games, as surrounds the 34th annual meeting which begins tomorrow within the white walls of the Harvard stadium. Twenty eastern colleges will be represented by nearly one thousand trained sprinters, runners, leapers and weight men, and ten of the institutions will have contestants in every one of the thirteen events.

events.

The preliminary season has developed some unusually fast, agile and strong athletes, especially at Yale, Cornell, Harvard, Pennsylvania, Michigan, Princeton and Dartmouth.

Close followers of the sport look for an unusually keen contest between Yale, Cornell and Harvard, with Pennsylvania, Princeton and Michigan standing ready to jump in to take advantage of any weakness developing among the favorites.

The preliminary qualifying events will be held tomorrow, and Saturday will witness the finals.

BOXING CARD AT WILLIMANTIC

### Jake O'Rourke's Pupils to Exhibit-Some Fast Bouts Promised.

One of the most interesting and entertaining events of an athletic nature is that scheduled for Monday evening in the rooms of the Windham Athletic club at Willimantic, when Jake O'Rourke's pupils will show what they have learned of the manly art of self-defense in the last four months.

The card for Monday evening will comprise five or six good three-round sparring exhibitions, among which are the following: Doyle vs. English; Leary vs. Gallivan; Timmins vs. Mc-Carty; Jake O'Rourke himself will go against that doughty little fighter, Frank McLeen, who is also something of a ball tosser, and a couple of other fast bouts that are undecided as yet. This will be Professor O'Rourke's first public exhibition this season and promises to be a top notcher. All of the teacher's porteges have shown class and as all have a host of friends the teachers porteges have shown class and as all have a host of friends there will be more than the usual interest displayed in the event.

Roger Cutler, at six, Withington five, Bacon four, and Faulkner three are all heavy, strong men, well fitted for the waist of the boat. Captain Cutler at bow and Lunt at No. 2, are also ideal men for their positions, rowing smoothly and at the same time with a good deal of power. The crew is still further strengthened by having an exxedient coxswain. This is Blagden's fourth year with the tiller ropes of the 'varsity crew, and he can tell pretty quickly when there is something wrong in the boat, and his suggestions have been of great help to Coach Wray.

# 250th ANNIVERSARY CELEBRATION

BETWEEN HARVARD-CORNELL. Crimson Has Boatful of Veteran Oars-

Harvard's 'varsity crew, from which so much is expected this year, is now at Ithaca, prepared for a hard, close race Monday with the Cornell oarsmen. Harvard's crew, when rowing its best, is unquestionably fast, and it knows how to race and how to race hard over the full distance. Her chances for beating Cornell seem good, but there is ligely to be a very close, hard contest.

ligely to be a very close, hard contest.

This is the fifth consecutive year that
Harvard and Cornell have had a twomile race. The first race was an easy
win for Cornell. The next two races
were more closely contested. Harvard
approaching nearer to Cornell's standard each year, until last year Harvard
scored the biggest victory of all. The
series stands, however, three to one
in Cornell's favor.

Since the end of the rowing season

series stands, however, three to one in Cornell's favor.

Since the end of the rowing season last year it has been apparent that Wray would have the best material this season that he has ever had during his five years at Harvard. Sargent, Wald, Bacon, Faukner, Lunt and Elliott Cotler all rowed in last year's 'varsity crew, and the two new men. Withington and Roger Cotler, rowed on the winning freshman crew, Sargent is rowing as smoothly and with the same clock-like precision that he showed last year, and seems to have acquired tills season, with his perfect rhythm, a certain amount of dash which was lacking last year. He is shill far from being as much of a driver as might be desired, and this shortcoming is more seriously felt this year than it was last year, when Richardson, who was a whole crew in him-

—especially when popularity nowa-days is gauged by the targeness of the sum passing over the till and the crowd filing through the wicker. Still Managers Bowler and Edwards have hopes of better weather, for Massachu-setts crowds like the sunny and balmy days to see baseball games.
